

**Landscape Construction Foreman/Crew Leaders
Drake's 7 Dees – Portland, Or.**

Intro:

Drake's 7 Dees Inc. is a leading landscape design and build contractor in the Portland area. We believe that in a significant way our team creates spaces where our clients' families will spend time to make, renew, and grow their relationships and friendships. Our mission is to continue to learn how to plan, build, care for great gardens and to use the knowledge we gain to serve, teach, and nurture our customers.

Overview:

Are you an experienced landscape construction foreman or crew leader who is interested in gaining new skills and growing in your career? Who would like to have a strong team around you, learning, laughing, working hard, and making money together? If this describes you we would like to meet and talk to you about joining our company.

What you'll do:

- Lead and manage your crew in the field, building landscape features
- Schedule deliveries and use of materials and equipment
- Control crew production rates, quality control, and safety
- Assist in scheduling and coordination of subcontractors

Skills and experience we are seeking:

- Plan and specification reading and interpretation
- One great story of how you helped someone else succeed
- Effective written and oral communications in English and Spanish
- Strong attention to detail
- Ability to prioritize and multi-task in a fast-paced environment
- Experience overcoming challenges
- Equipment operation and maintenance skills
- Material take-off and ordering
- Clean driver's license
- Minimum 5 years landscape construction experience

Perks

- Competitive hourly pay rates
- Overtime
