

Irrigation Technician

Drake's 7 Dees is a leading provider of sustainable irrigation solutions, committed to enhancing landscapes and conserving water resources. We pride ourselves on delivering high-quality, innovative, and eco-friendly irrigation systems to our clients.

Job Description:

As a Full-time Irrigation Technician, you will play a crucial role in designing, installing, maintaining, and troubleshooting irrigation systems for commercial and residential properties. You will work closely with our team to ensure that landscapes flourish while optimizing water usage and efficiency.

Responsibilities:

- Install, repair, and maintain irrigation systems, including pipes, valves, sprinklers, and controllers.
- Perform regular inspections to identify potential issues and recommend improvements for optimized water distribution.
- Troubleshoot and resolve irrigation system malfunctions, leaks, and clogs.
- Collaborate with the team to design and implement customized irrigation solutions.
- Comply with local regulations and water conservation guidelines.
- Keep accurate records of all service and maintenance work.
- Provide exceptional customer service, educating clients on proper irrigation practices and system usage.

Qualifications:

- Previous experience in irrigation system installation, maintenance, and repair.
- Strong knowledge of irrigation components and equipment.
- Ability to diagnose and resolve complex irrigation system problems.
- Detail-oriented with excellent time management skills.
- Effective communication and interpersonal abilities.
- Knowledge of local water regulations and conservation practices.
- Valid driver's license and reliable transportation.

Benefits:

Drake's 7 Dees offers a competitive salary and benefits package, including health insurance, retirement plans, and opportunities for career advancement. Join our dynamic team and be part of a company that values innovation and sustainability.
